# Clean Heat Accelerator

14<sup>th</sup> November 2024

# Objective for today

---

Clean Heat  
Accelerator

To understand how your growth ambitions might have changed during the accelerator and the main actions you are taking away as a priority for the next year.

Clean Heat  
Accelerator

1. What is your new company ambition statement for the next 3 years?
2. What are the top 3 actions you will implement over the next 12 months?
3. What has changed? How has your business planning thinking changed over the past 5 months? (And is it more ambitious than it was?)
4. What is your one main takeaway from the accelerator so far?

# Discussion

- Main themes
- Have any collaborations emerged between companies on the cohort?
- How will this shape your approach to next week's structured networking event e.g.:
  - With investors?
  - With social housing providers?
  - With private contractors?
  - With looking for external support?
